AUTUMN 2020

Welcome St. Thomas families,

As we view our 2020-2021 school year, there are many unknowns, but in times of great uncertainty, a sense of hope emerges when communities come together under a common goal. The STA Home and School Association (HSA) is committed to fostering a sense of unity and inclusiveness within our school community. Whether your child is learning remotely, or in person we want St. Thomas to be a place where everyone is welcomed and supported! We encourage each family and staff member to join and stay active in the HSA, which thrives when families are engaged. The HSA organizes and coordinates activities and fundraisers throughout the school year to support St. Thomas students, teachers, and families. While in-person volunteering is not allowed at the present time, we need your assistance now more than ever to think outside the box and revise HSA programs to meet current and future needs. Volunteering is a great way to meet other families and stay active in the community. If you are interested in volunteering, please email hsa@sttaob.com.

Thank You

Mrs. Pioppo

Mrs. Zarate and

Father Jay

for your tireless efforts to keep our children SAFE!
