**WELCOME FROM THE HSA PRESIDENT**

Hello St. Thomas the Apostle Family! Welcome to the 2019-2020 school year!

Allow me to introduce myself, my name is Mary Ann Sourial, my husband Robert and I are the proud parents of a 5th, 3rd and 2nd grade boys and next year our daughter will also be joining the STA family. I am very excited to be working for you and with you for the betterment of our school.

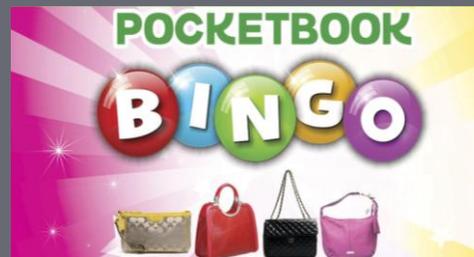

Last year with your help the HSA was able to raise \$28,563. With those funds we were able to install a brand new floor in the gym, purchase 6 Promethean Boards to enrich our children's classroom experience and we were also able to purchase a brand new playground set for the children to enjoy in our garden playground behind the school! This was all made possible because of you and your support of the HSA. THANK YOU! We will continue to work hard to improve our technology and facilities to give our children the best academic experience!

If you'd like to volunteer your time, or donate services, leveraging your work or business with our community please let us know. With over 250 families at the school you'll get great exposure and again, the children will benefit greatly.

Thank you again and God Bless our children, teachers and staff for an amazing school year!
