

Are you tired of your child constantly losing his/her St. Thomas fleece? Then please take advantage of the personalization service that we are offering this week!

If you would like your child's fleece personalized, please sign up at [inorbitapparel.com](http://inorbitapparel.com) and get your name on the list! The students will be called down with their fleece on either Tuesday or Thursday (Nov. 5 & 7) and it will be done while they wait. If you have any questions you can send them directly through the website.

Don't miss this great opportunity!
