

November 16, 2020

Dear Parents and Guardians,

I am writing to inform you that another 3rd grade student has tested positive for COVID-19. Since Thanksgiving is next week, we have decided to err on the side of caution. We will remain remote and reopen on December 8, 2020. I apologize for the inconvenience this may cause, but it is better to be safe than sorry and we want all our students and families to be able to be able to celebrate Thanksgiving in good health.

I realize our Thanksgiving feast was scheduled for Monday, November 23. Please rest assured that the fees will be refunded. We are hoping and praying that we can return in December and enjoy sharing the season of Advent and Christmas together.

This Thanksgiving, it may feel a little difficult to feel thankful as we experience all the challenges brought on by the pandemic. We must remember that we have been gifted with faith and we have abundant blessings that we need to be thankful for. These current waters have been rough but we will ride them together while we remain safe and healthy, and at the same time continue to deliver academic excellence.

Once again, thank you for your support and cooperation. I am truly grateful and consider everyone of you a blessing to our STA family! Please stay safe and healthy and join me in continuing to pray for all our families.

God Bless,

Ms. Annette Pioppo  
Principal
